

...Treated Tires

WARNING TIRE SOAKERS of ALL CLASSES

BRP AND YOUR FELLOW RACERS will have the ability to protest any of the 4 tires or replacement tires you raced during your 1st 2nd or 3rd place finish in any race or qualifying event.

Attention BRP drivers, car owners and fans:

Rules:

The track BRP reserves the right to check any tire at any time.

The cost to protest 1 tire is \$175.00 (You can protest 1 tire or more you choose which tire you want to be sent to lab). The protesting driver must finish on the lead lap of the feature event and can protest any or all of the top 3 finishing cars for that night.

Once the tire sample is sealed the protesting driver and the protested driver must sign off on the evidence bag. Once results are confirmed through Blue Ridge Lab if tire sample is deemed legal the protested driver will receive winnings, if the sample is deemed illegal the protesting driver will receive \$50.00. If a protest occurs the pay for the top 3 driver's will be held until results are confirmed with Blue Ridge Lab.

Penalty for infraction of chemically soaked tires will be as follows:

These Penalties will be placed in effect for the driver and car owner.

1st Offense will be a \$500 fine for the team and a 1 race suspension for car, owner and driver. Forfeit all money and points for that night.

2nd Offense will be a \$1000 fine for the team and a 1 year suspension for, owner and driver, from any type of competition at BRP including any speed-weeks or sanctioned events that may fall under their suspension time. Forfeit all money and points for that night. During any suspension you will not be able to compete in any other divisions at BRP. All suspensions start on the date infraction occurred.
